

Online School Scavenger Hunt

Work together with your Learning Coach to mark off each of these items!

Log into your student account.

Read the Welcome letter from your teacher in your email/messages.

Test your computers speaker and microphone.

Find the Plan Tab and look at the upcoming lessons you have listed.

Find the Resources tab and then click on Engage and explore.

Like and join your school or Districts Facebook page

Click on your Profile Character and look in settings to update items you feel might be helpful.

Under the plan tab click on a lesson and find the reading tool bar at the top right. Click the + (more) symbol to see the other tools.

Find the Resources tab and then click on Big Universe and explore the books it has to offer.

Test your skills at sending your teacher a short email introducing yourself.

Join an orientation session with your teacher.

Work with your Learning Coach to create a schedule for your family and what will work for you. It is alright to change it as you find what works

Make a space in your home to keep and organize your school materials
